

Azim Khamisa ❖ Author, Speaker

*Teaching People How to Achieve Peace
Through the Practice of Forgiveness*

Azim Khamisa is an inspiration. Hailed by dignitaries such as the Dalai Llama, Bill Clinton and Al Gore, Azim delivers his inspirational message to a world in desperate need of forgiveness, peace and hope.

Following the murder of his only son Tariq in 1995 through a senseless, gang-related incident, Azim chose the path of forgiveness and compassion rather than revenge, and this amazing choice led to the establishment of the Tariq Khamisa Foundation (TKF) and the subsequent forgiveness movement which has reached millions.

A renowned international speaker, Azim has spoken to audiences of adults, juveniles and children, ranging from small schools, to large corporations, to audiences into the thousands, including – on the occasion of a rally in Washington DC in 1996 – a crowd of 300,000.

Through the work of TKF, a half-million children have seen him speak in person, with another 20 million being touched by his message through video presentations. The public has also heard his uplifting message via print, audio, video and television. A recipient of 60 prestigious regional, national and international awards, Azim's focus remains on his vision of a peaceful, non-violent world where adults and children alike make empowering choices. Highlighted on national media such as NBC's *Today Show* and *Nightly News* and *People Magazine*, Azim has authored three books including the award-winning *From Murder to Forgiveness* and the Random House book *The Secrets of the Bulletproof Spirit*, coauthored with Jillian Quinn.

In his keynote speeches - of which he has given over 400 - Azim covers a diverse arena of topics, including successful management teams, forgiveness, responses to terrorism, restorative justice, compassionate relationships and conflict resolution – with each one customized specifically for his audience.

Invoke him to speak at your corporation, organization or gathering, and be moved, motivated and inspired.

THE JOURNEY OF FORGIVENESS: DESTINATION PEACE

This is Azim's workshop that he has delivered over the years to thousands, all over the country and abroad. In this workshop, Azim also leads all in a deeply moving meditation that will free your soul. Workbook included with your participation.

THE SECRETS OF THE BULLETPROOF SPIRIT; HOW TO BOUNCE BACK FROM LIFE'S HARDEST HITS

Over the years, Azim's harsh experiences in life – personally and in business – has not destroyed him, but inspired him to create even greater, more expansive results in his life. Hear how he did it, and how you too can create incredible results in your life, no matter what has gone before. This presentation follows the book of the same name, cowritten by Jillian Quinn and published by Random House in February 2009.

RESTORATIVE JUSTICE: A NEW PARADIGM FOR SOCIAL TRANSFORMATION

In this presentation, punitive justice gives way to "Restorative Justice," a pathway that converts criminals into productive citizens and allows for the restoration of the individual rather than his or her continued punishment.

TEACHING KIDS PRINCIPALS OF NON- VIOLENCE AND PEACE-MAKING

Azim has a special way with the children, showing them, in simple terms, how to comprehend and apply principles of non-violence, with a focus on prevention. Having led presentations through TKF since 1996, Azim can connect and move the young hearts, in a direction towards peace and away from violence and gang life.
